Grant No. 11-648

Mayor Christopher B. Coleman
City of Saint Paul
390 City Hall
15 West Kellogg Boulevard
St. Paul, MN 55102

Dear Mayor Coleman:

Thank you for the proposal to study the feasibility of a modern streetcar network in St. Paul in the context of the regional transit system. I am pleased to inform you that a grant of \$50,000 has been approved for this purpose.

We will electronically transfer our grant payment of \$50,000 from JP Morgan Chase Bank in New York to your designated bank account. Funds should be available in one to two business days. Please verify that the funds have been properly credited to your bank account.

Learning from the experiences of our partners is an important part of our work and can help to inform the field. We ask that you submit a report by March 1, 2013. As you know, McKnight's grantmaking process is now online. Your reporting questions are already available for you to review on your account page (please login through the address www.mcknight.org/myaccount). Instructions for how to use the online reporting tool are also available within your report.

By accepting this grant, your organization agrees that it will not promote, support, or engage in terrorism of any kind, nor will it make sub-grants to any entity or individual that engages in these activities. If you have questions, please call Lee Sheehy.

We are pleased to support your important work. Best wishes for a productive year.

Sincerely,

Kate Wolford
President
