**Subject:** Sound Level Variance - Bethel Christian Fellowship  
**Date:** Wednesday, April 28, 2021 6:29:35 PM

---

We live exactly one block north of Bethel Christian Fellowship. This congregation has always been a good neighbor. While we prefer quiet on Sunday mornings, we know that many people will benefit from the opportunity to attend services safely on Sunday mornings – and we appreciate the church’s concern for Covid safety. **So we have no objection to this variance request.**
