It is not possible to access them online any longer - otherwise I would have sent them over.

Thank you Mary. I am not sure why Waste Management is not able to provide any earlier invoices if it is still possible to access them online. **If possible, please send me copies of earlier invoices from the property owner's online account.** The current property owner does not own a computer and is therefore not able to access their invoices online. This should not be a barrier to them receiving information for their account.

Best,

I can only go back as far as the 7.1.2020 invoice – it is the P/O responsibility to keep their invoices if they need them for any reason.

Or they could have gone to www.wm.com and pulled them off if they needed them.

Thank you Mary. The property owner is requesting a record of their invoices and payment history since the beginning of the program in October 2018, as well as a copy of their Q4 2021 original invoice. Please send those and I will mail them to the property owner.

This is what I have - there is no documentation on her account that she talked to anyone at WM in October 2021.

She made a payment here 12/20/2021 12:49:54 MDICKER2

CONFIRMATION NUMBER: 80041316299 PAYMENT AMOUNT: \$80.46 - which declined

01/11/2022 13:55:23 ESBNOTES CAAG JFIELDS8 CAROL/ CI ABOUT MISSING

PAYMENT OF 75.91/ LOCATED PAYMENT AND ADV THAT CURRENT BALANCE IS

DUE 0126 - not sure what this is about

This is a Kim she talked to on 1.19.22 01/19/2022 10:11:03 KGWIN1

CCI TO VRFY BLNCE EDU \$69.84 DUE BY 01/25/22

CUST ADV WILL CALL BACK TO MK PYMNT

See below – as you can see – she makes a payment and then it declines, she makes a payment and then it declines.

The property owner needs to fix her payment issue - and I don't believe we have agents that are monitoring customers payments to see if they decline and then calling their bank to verify if it can be put thru again - note there was no physical check sent this was done on line.
