Hi Ms. Hom,

I will put together a file for the hearing on **July 30, 2024 via telephone between 9 am and 11 am**. If you cannot attend a telephone hearing either, you may submit additional statement to be put into the record and the hearing officer will review based on that to make her recommendation to the council. I will email you the packet once put together before the hearing.

To whom it may concern,

Hello, my name is Heather Horn. I am one of the owners of 198 Bridlewood Drive St Paul.

I am writing this email in response to a letter my husband (Daniel Horn) received on 7/17. My husband and I both work if we are needed at the hearings

The charges being considered were in response to a Feb 4, 2024, event. I was told by the St Paul Sargent that responded to my house, that they were sending a team out to secure my door. He also informed me that the St Paul police department would pay for the cost since my door was damaged while doing their job. I was also told that the door would be completely fixed at a later date which has not yet been done. I received an assessment in March. I spoke to the assessor after receiving the notice. I told the assessor at that time that St Paul police had said they would cover the cost of securing the door. I have not received any other communication about this matter since March.

If you have any questions I can be reached at 612-483-4584 or by email at [heather43302@yahoo.com](mailto:heather43302@yahoo.com).

Thank you for your time,

Heather Horn
