Hi Jamie,

I hope you're having a great day. I received your voicemail regarding the notification form. It was received right away (see email below confirming). My understanding of this new process is unless you are seeking a letter of support, you could apply with the City right away and there is nothing formally required from the District Council. I'll touch base with Ross as well, but it looks like he's out of the office today.

I'll try to give you a call this afternoon as well, but I wanted to pass something along in writing too.

Take care,

Hi Jamie,

Thanks for connecting and welcome to the neighborhood! What a change from a funeral home :)
I'll pass this along to the Board so they are aware as well, and I'll let you know if there are any follow up questions in the meantime.

Take care,

Dear West 7th / Fort Road Federation,

My name is Jamie and I'm writing to let you know I dropped off the Council Notification form for a liquor license application at your office on West 7th today. (I met Phil Gagne and he told me to slip it under the door.) I am attaching more detailed plans so you have access to them, and I am happy to chat anytime, answer any questions, and discuss our application!

Thanks, and have a great weekend,

Jamie Fassett-Carman
