Leanna,

Per our conversation today, I am posting a copy of the notes I made in regards to the voicemails James left, please see below:

3/2/20 - I rec'd a vm from James at 12:37 PM that stated he is not sure if he can make inspection today. I rec'd another vm from James at 2:14 PM that said he cannot make the inspection due to having to teach a class and not being able to find anyone to cover. DJS

3/2/20 - Met MC at inspection. No answer at door. View through E bedroom window appears all belongings have been moved appears vacant. DJS

Thanks,
