Chapter 409. Intoxicating Liquor

Sec. 409.06. Licensing requirements.

(d) *Premises of license.* No on-sale or off-sale license is effective beyond the compact and contiguous space named in such license and for which the same was granted, except that an on-sale license granted for sales in the dining room of any hotel may permit sales of liquor with meals in additional dining rooms open to the public and specified in the license if meals are regularly served to guests therein. If meals are regularly served to guests in guest rooms in any such hotel, liquor may be sold in such guest rooms but only with meals; provided, that such guest rooms must be specified in the license granted. No sales may be made upon the premises of an on-sale licensee except upon the ground floor; provided, however, that this limitation does not apply to a hotel duly licensed to sell on another floor as in this section provided; and provided further, that a licensee shall be permitted to sell at a place in a building other than the ground floor if a license has been granted for sales on a floor other than such ground floor. Licenses granted to a private nonprofit college need not be compact and contiguous as long as the space described is on the premises of the private nonprofit college. All licenses granted hereunder must set forth the exact location within the building structure where such sales may be made and no sale is permitted except in that part of the premises defined in the license, except as provided in the following subsection (e).
