SUBJECT: ALTERNATE POLLING PLACE LOCATION FOR 2018 STATE GENERAL ELECTION

Based on feedback from the voters at Tuesday's state primary, we have determined that the polling place for Ward 3, Precinct 12 may not fully comply with state and federal accessibility requirements. As a result, we would conclude that it is unavailable for our use and recommend that the following change be made by the council in preparation for the state general election on November 6.

Current location: Leonard Center Atrium, Macalester College
Proposed locations: Immanuel Lutheran Church

The voters affected by this change will be notified by surface mail during the week of October 8.

Please let me know if you have questions about this recommended change.
