Subject: 758 Submit for public last demo orders not revoked as promised

Hello Mai and Marcia,

Please submit this communication for public record.

I'm a bit confused. Marcia decided to schedule a redo of our March 6th hearing because the city neglected to add for public record all of our evidence that we had submitted. We were told by Marcia that in doing so the excavate orders from the city council and the Mayors office would be revoked and be decided at the hearing on April 3, 2013

Reid Soley at the DSI, refused to accept our \$5,000.00 for the surety bond based on the fact that the original had not been revoked after all. Reid also that there was nothing in his system regarding the fact that the city scheduled a "do over" and that we are unable to do anything at all because the original orders stand.

Please submit this information for public record.
