NARRATIVE

No ICC 1564

On 03/09/2017 at about 2200 hours, I SQD 270 Officer R.Mcguire was sent to 294 Charles on a Burglary report. Call notes said the victim came home and found the back door forced open.

Upon my arrival, I learned the victim, Alecia Michelle Mobley 05/09/1979 (294 Charles, 651-272-0035) had called family to the location to check the house for her, prior to Police arrival. She had been waiting about 1 hour.

I informed responding K9 Officers of the civilians possibly still at the scene. Mobley was in the process of calling her family back out of the house via telephone.

When Family was clear of the house, I learned Mobley's family had been through the house and no one was inside.

K9 cleared from the scene.

Mobley and I entered the house with her family and checked the interior.

The rear door appeared to have been pried open, and a television was missing from the living room, as well as another television from the master bedroom.

I spoke further with Mobley. She said she left the house at about 0750 hours, for work, and was unable to return home due to late meetings until about 2100 hours.

Mobley said when she got home, she saw the back door was open, so she called 911.

I took photos at the scene,

The labeled photos were later TRANSFERRED to the Media Vault.

I checked the rear door knobs for prints, with negative results. I checked the locations where the televisions had been taken from (living room TV cabinet, bedroom TV stand) for prints as well, also with negative results.

Mobley, at the time was uncertain of the specifics of the stolen televisions (brands, size, value etc) and she did not have serial # information at the time.

I called for a Board up Crew to secure the rear door, as Mobley had no way to secure the rear door. I waited on scene for the crew to come and secure the door.

I gave Mobley my card with a case number, and a green property sheet to list specific item information. Mobley said she would return the property sheet right away.

Nothing Further at this time.
