Good afternoon,

I have a VB to add to your list. 2051 3rd st e.

SPRWS reported water was disconnected back in 2021. The homeowner at the time reported possibly a water line break/burst, something of that nature.

Gas has been off for over 30 days per Xcel Energy. Gas is locked off at the meter.

Electric has been off for an unknown amount of time. Electric is disconnected at the pole.
