Race/Ethnicity: Other

Employer: Soltura Solutions

Occupation: Principal

Why are you interested in serving on a board or committee?

Having recently moved from Los Angeles, where I was involved in a variety of civic capacities, I am eager to find ways to contribute to the self governance processes of my new home.

What skills/training or experience do you possess for the committee(s) for which you seek appointment?

I am passionate regarding local self-governance, as evidenced in my recent election to Como District 10 Community Council as well as my service on the Del Rey and Echo Park Elysian Neighborhood Councils in Los Angeles. Through my locally elected positions in Los Angeles I was involved in convening multiple local councils through the regional neighborhood congress.

I am an enthusiastic participant in civic discussion and dialogue across lines of ideology, interest, and industry. If I can be of service I am glad to serve.
