St. Paul, MN 55102

Dear Councilmember Henningson:

At its meeting on April 9, the Union Park Transportation Committee voted unanimously to support a reduction of the speed limit on Cretin Avenue between I-94 and Marshall Avenue from 35 mph to 30 mph.

As you know, Union Park has also convened a working group of residents and business owners to address pedestrian safety concerns along Cretin Avenue through Union Park. At its meeting on April 11, that group also unanimously expressed support for the speed limit reduction, as an important measure consistent with the other recommendations it is developing in conjunction with Public Works staff.

Please let me know if you have any questions.

Thank you,

Julie Reiter, Executive Director
Union Park District Council
