Mr. Evers,

Mai forwarded your email to me. By way of clarification, the deadlines imposed were those of the City Council at the Public Hearing you attended. Please advise me as to progress, so I may review information prior to the Council meeting.

Possession was obtained by the lender at 12:01 A.M. this morning. My understanding with the city council was that the lender would be working on it today and be in contact with Marcia later today. I was not made aware of the 3:30 deadline until now. Assuming normal working hours to commence at 8:00, they have had less than 2 hours to make progress on this matter.

Thank you for your comments in this matter.
