05/17/2012	<a href="#">12 057869</a>	Resolved	CS - CSO Complaint - License - Complaint	Patrons from Winners stay in the parking lot after closing and fight. Every other night there is gunfire. On 5/16 bullets went into an apartment building and a garage on private property. The bar needs some type of security. The Police have responded to 911 calls about this. 05/17/12 - Once again, gunshots fired outside of Winners bar in the parking lot - this time a driveby aimed at someone leaving the bar (?). Made a previous complaint from an incident this weekend, and last night, 5/16/12 there were more shots fired and people outside of the bar loudly arguing for an extended period of time before and after. I understand the slower response time on a Friday night, but last night, the police still did not arrive until well after everyone around was gone. I've lived in the neighborhood for 8 years, and this area/that bar has never had so many problems as it's had in the last 6 months. Please, if you can, step up the police presence, put pressure on this bar - it's staff, it's patrons who know more about what is going on than they are telling, or just devote more attention to this matter before it gets even worse.
