Hello All,

I know today is the day to voice my concerns. Unfortunately both of my boys were diagnosed with strep throat today. I was negative. Since I'm their only parent that cares for them I will be unable to attend. We basically have the unit down to 7 people. 2-3 more will be leaving by December. Can we please have an extension until December 1st? You can send Daryl by on November 21st as ordered to see the progress. 2 of our guest are out of town working and won't be back until the 30th of November. The beds in the living room and dining will all be removed. Since the orders were only for the 2nd floor that's all we addressed. We have a total of 6 beds. 4 on the 2nd floor and 2 on the 3rd floor. I hope the Council can find it in their hearts & souls to realize we are helping people that would otherwise be forced to live in their cars, or God forbid be forced to pitch a tent like these people across from McDonald's on 7th. Please give us until December 1st to be in full compliance. We will be 80% complied by November 21st.

Hello All,

Can I please know how much time I'll have to speak? I want to keep my speech within the time limits given. Thank you.
