Mr. Foreman,

You came to a Legislative Hearing on Dec 20 on an assessment for above matter. At that time, we didn't have a file for it and no video was available. Ms. Moermond continued the matter to watch the video. On January 3rd Ms. Moermond watched the video on the grass and recommended approval. The grass was indeed over 8 inches tall. As for the crew removing the garbage in the yard, she recommended approval; however, after a review of the file from DSI, there was not a summary abatement order sent out about the garbage, therefore, Ms. Moermond has amended her recommendation to reduce the assessment from \$608.00 to \$320.00.

If you wish to appeal further, you may attend the City Council Public Hearing on January 18, 2017 at 5:30 pm in Room 300 Council Chambers, Third Floor of the City Hall/Courthouse.
