Banning & Oliviers addition

To whom it may concern:

My property value went from \$141,000 to \$174,900 for 2021. I haven't done any major repairs or additions to my property. To have it raised more than \$30,000 in 1 year is preposterous. My tax was increased almost 15%. I appreciate looking into this matter and hopefully lowering my tax.

Thank you,

Fernando Fuentes
