Re: Remove or Repair of the Structure at 1722 Reaney Avenue

Dear Interested Parties:

This is to confirm that staff has reviewed your documents submitted after your Legislative Hearing and will recommend at the Council Public Hearing on **January 11, 2023 that they grant 180 days to rehabilitate the above-named property.** You may begin pulling permits before it goes before the City Council for a vote, beginning tomorrow, December 23.

A reminder permits must be pulled **in person** for Category 3 properties, your contractors cannot do them online. When your rehabilitation is complete and the property has received its Code Compliance certificate, you may request your performance deposit back in writing to Robert Humphrey at [robert.humphrey@ci.stpaul.mn.us](mailto:robert.humphrey@ci.stpaul.mn.us).

This matter will go before the City Council again at Public Hearing on **Wednesday, January 11 2023 at 3:30 pm. in room 300 City Hall.** If you are contesting Ms. Moermond's recommendation you may appear in person or send written testimony to be added to the record to [legislativehearings@ci.stpaul.mn.us](mailto:legislativehearings@ci.stpaul.mn.us) or by voicemail at 651-266-6805. **Should you wish to address Council directly but not appear in person, you must register in person by noon on Tuesday, January 10, 2023 here: <https://www.stpaul.gov/department/city-council/city-council-public-hearing-live-testimony>.** If you don't wish to contest, no further action is needed and the Council will proceed with Ms. Moermond's recommendation above.

At the conclusion of the grant of time, the Council will receive a report from the Legislative Hearing Officer with findings on the status of the substantial abatement. You will receive a letter with the time and date of this hearing from our office approximately 5 and a half months following the date of your Council Public Hearing.

If you have any questions, please contact me at 651-266-8515.

Sincerely,

/s/

Joanna Zimny

Legislative Hearing Executive Assistant
