

ATTN: Jeff Fishbach

4/3/12

Sir,

Please find 21 signatures to help satisfy the requirements for serving alcohol on an outdoor sidewalk cafe. Of the remaining signatures/residents, 6 are out of town for the winter and the rest have been unavailable or not home on 2 different visits. Respectively,

John Timucci, owner
COLOSSAL CAFE
2315 Como Ave St. Paul

We have found a generally favorable disposition to our request in the following ways:

1. We have received letters of support from the following neighborhood groups:
 - a. District 12 Community Council
 - b. Saint Anthony Park Community Foundation
 - c. Neighboring businesses including Peapods and Park Midway Bank
 - d. Luther Place Condominiums – 18 unit complex which represents nearly half of our neighbors within 350 feet.
2. Zoning variance has been granted from the BZA with a unanimous vote. We also received no negative feedback from the community during the ten day waiting period.
3. The signatures we have not obtained are only because we have, as of yet, not been able to contact them. The remaining residents have been mailed the petition request.
