This is concerning new license application for 655 Fairview Ave, N, #190.

We object to this proposal, while we realize that side of Fairview is primarily business our side is residential. We are concerned about added noise, less parking (the streets will be filled more cars, more noise) more potential crime if alcohol is allowed.

As a gym the site has been a good neighbor, we are fearful of what the neighborhood could become, as it is we have many unrelated vehicles park on that side of the street now, commercial trucks even a presumably homeless person in a van running at all hours.

While we want small business to succeed it needs to be in an appropriate area.
