Subject: 1310 Park

Just a moment ago John Denn from FCF Properties called, re: 1310 Park. His Leg hearing is tomorrow, but he spoke with Leanna Schaff re: his bed bug appeal. She said she'll submit all the documentation about treatment, and he doesn't have to come to the hearing tomorrow, but just to just give us a call and let us know.

I told him it should be fine and to plan on that unless he hears differently from us. his number is 612-850-7670

Thanks,
Joanna
