Owner Name: KA VANG
Address: 340 LAWSON AVE E

Property Type: single-family
Other: SUV into house

Situation Description: A SUV crashed into the rear overhanging porch at this address and the driver fled. The utilities were not damaged, but a support column was knocked out for the porch. There are multiple other support posts that are supporting the porch and were not damaged. The porch is stable and does not move when pressure is applied to it. The homeowners were advised that DSI would be contacted and a VM was left with Inspector 12. A follow up inspection is requested to ensure the porch doesn't become unstable over time.
