I am writing in regards to Tiffany Lounge's application to expand both their indoor and outdoor space. I live on the 2000 block of Pinehurst Avenue, directly behind Half Price Books, and we share an alley with Tiffany Lounge. Being so close to the west end of this block, we are more affected by the businesses than others who live in this area. I am very much in support of the expansion plan for Tiffany Lounge. The owner, Blake, has always been exceptionally responsive to complaints from the residents on this side of Pinehurst. Some of us have had occasion to call him with a complaint, and he has, without fail, taken responsibility for any noise or littering caused by his customers. He is an excellent neighbor to us, and those of us who live here enjoy going to Tiffany Lounge for both their food and drink. I believe that Tiffany Lounge is a great asset to our neighborhood, and look forward to seeing the business grow in years to come.

Please do not hesitate to call if you have further questions, or would like more information.

Thank you,
