Mai,

% of completions:

6) 575 Park Ave: All trade permits are satisfied and closed. Final inspection scheduled for 1/26. Sight unseen by my own eyes, I will estimate 95%.

7) 1807 7<sup>th</sup> St E: VB file is finalized and closed. In compliance letter sent 9/26/22, it is attached here. 100% complete.  
- There is an **unrelated** permit, #2022 097152, for tempered glass on a kitchen window that is open and was allowed to be obtained a few days before the closing of this VB file.

8) 1941 University Ave W: No trade permits pulled and none seem to be required. Building permit pulled 10/10/22, no inspections done or scheduled. I don't see any movement on this one in the system but to be fair I have not ever been to this building. Hard to say on this one, frankly I don't feel comfortable giving a percentage here because it would be pure speculation.

9) 521 York Ave: VB file is finalized and closed. In compliance letter sent 12/19/22, it is attached here. 100% complete.

Hope this helps.

Blessings -

City in America
