Ms. McMonigal-St.Dennis,

I am writing in support of the sound variance proposed for the annual Hmong Freedom Festival. As residents, we are happy to welcome this national event back to Como Park for another year, and our committee unanimously voted in favor of approving the request. No one from the community spoke against the event and several that spoke in favor. Please approve this variance request with the conditions recommended by DSI.

Sincerely,

Kevin Dahm
Chair of the Land Use Committee
