An application for a sound level variance has been received from Chris Peterson, Director of Regional Operations, for District Energy St. Paul, for a District Energy Boiler Testing event. The exact dates are not yet known; however, it is stated to be less than five days within the dates of July 4 and July 30, 2026, from the hours of 7:00 am to 6:00 pm. The event will take place at 125 Shepard Road.

Further details of this event will be forthcoming.
