Ms. Heagle,

I have put a resolution to delete the clean up of \$470 which will be on the Council Agenda for March 24 at 3:30 p.m. The Legislative Hearing Officer viewed the orders, photos and videos and it does appear to have removed the furniture albeit after the deadline. When the crew showed up there were 2 mattresses in place of the furniture pile. Since a box spring was a part of the first pile, she can see why the crew thought it was a part of original order.
