Yes hi this is James Leach. The address is 518 in Ashland Ave. The assessment number is 205600 and it's regarding the assessment an adoption of the assessment roll for 2020 St Maintenance Service program. Seal coating St and or Allie. I think that the street is definitely not in need of any more rocks on it or seal coating. What I do believe is that our alley needs a lot of attention. I would much rather have you spend my money on repairing the alley behind 518 in Ashland. So once again, I definitely do not approve of spending my money on it. Putting a seal coat on the street, but I would like you to fix our alley. Thank you, my phone number is 651-253-9422.
