Dear City Councilmember Stark,

I am writing to urge you to vote against the proposal to allow Target to open a liquor store. I was born and raised in the Midway, currently own a home in Ward 4, and work as an RN in St. Paul. I am concerned that a liquor store in Target would harm our local liquor stores which are such a valuable asset to the local economy. Large big box stores also take away from the unique character of the neighborhood. Thank you for your work with the City Council and for considering my opinion in this important matter.
