

Saint Paul City Council  
Public Hearing Notice  
Re: Ratification of Assessment

To Whom It May Concern:

I am writing in regards of the notification I received in regards to my property at 515 Minnehaha Ave E. I know that there was a period of time where I was to send my appeal in but I am currently recovering from a broken leg, which occurred during the date where the hearing would have been. However, the statement on the letter saying the purpose was "To consider approval of the assessment for: Property Clean Up on Private Property during the time period of October 2<sup>nd</sup> to October 31, 2013." I was going through the process of purchasing and closing on the property during this time frame and did not actually close on the house until October 14<sup>th</sup>, 2013. With that said, when I was on the property after purchase, I actually had to clean the property myself. If this statement saying that someone came to the property to clean up, I would request for proper documentation (photos and description of what was done on what date.)

I would request these to be sent to me promptly so that we can resolve this issue. Should you need any documents from me please let me know (hospital records from injury etc.)

Thank you,
