Re: Appeal of the BZA decision on the variance application for 472 Concord Zoning File #  
11-130256

Dear Mr. Ludzack:

Your application for variances on lot coverage, rear and side yard setbacks was received in the Department of Safety and Inspections (DSI) on April 15, 2011.

Minnesota Statutes 15.99 requires that all city action on zoning applications be completed within 60 days of the date the application is made, but allows the city to extend this period for an additional 60 days (total 120 days). In order to allow time for the city to meet the deadlines established by state law, we are hereby extending the deadline for action for your application (11-109878). The new deadline for action is August 12, 2011. If you have any questions regarding this matter, you may contact me at 651-266-9080.

Sincerely,

Yaya Diatta  
DSI Inspector
