Re: 36 Dale Street S Gambling Location License Application

On March 31st, 2016 the Summit Hill Association's Zoning and Land Use committee met to consider the above application. The committee did not receive any comment from the community regarding this application after putting out a community notice for this meeting. The applicant did not attend this meeting, neither did anyone from the community show up to speak for or against the application. The Zoning and Land Use Committee voted unanimously to lay over the matter, as there was no one to speak on it.

The Summit Hill Association board met on June 9th, 2016 and this item was on the agenda for deliberation. The applicant appeared before the Summit Hill Association board. There was no comment from the community on the application. The SHA board by a unanimous vote, voted to recommend approval of the license application.

Sincerely,

Mark J. Peschel

SHA President

Cc: Ward 2 Council Member, Rebecca Noecker
