Mai, can you prepare a resolution to grant this extension. A letter should go to the appellant confirming the additional extension for the purpose of completing work on the final item in the orders. Thanks, Marcia

This was to be completed by November 1<sup>st</sup>. The windows are the only remaining item, but won't be in until maybe the 10<sup>th</sup>. Late last week, we talked about a new resolution to give them to February 1<sup>st</sup>.
