Hello All,  
Ken Doyle, owner of 705 Summit Avenue, delivered the following documents to me today. They are information and spec sheets for the roof windows that are installed at his property and called out in his appeal. Inspector Gavin and I will conduct a site visit at the property on Monday, November 7 at 1pm to view these windows and their operation. I will take photos of the windows and a video of their operation.

Have a good weekend,  
Christine
