Hello,

I'm a resident of the Midway and wanted to reach out to comment on the state of the CVS building.

I am in favor of it being torn down and the property revitalized to be used by something that will improve this neighborhood. Right now, it's an empty building sitting on prime real estate. This neighborhood is in dire need of investment from the city and business leaders who want to collaborate with this vibrant community to create something beneficial to the neighborhood and hopefully to improve St Paul's tax base (I'm tired of bearing the burden with constant increases to my property taxes).

Thanks,
