Dear Larry Zangs,

The St. Anthony Park Community Council supports the work that Urban Growler wants to do in District 12 including a tap room license for on and off sale liquor sales, an outdoor patio with liquor service and kitchen/food service. The Council would like the city to waive the 45 day waiting period so they can proceed on all these elements as soon as possible.

Additionally, we are in favor of waiving the 30 day waiting period for an inside and outside entertainment permit.

Sincerely,

A handwritten signature in black ink, appearing to read "Suyapa Miranda".
