RE: 949 7th Street West – Liquor License ID #0033570 – JKR Inc./DBA Joe & Stan's – Petition Effort

We completed the following actions in an effort to fulfill the petition requirements to add a liquor outdoor service area sidewalk to our above referenced licenses:

- John Kelly walked door-to-door several times to obtain signatures of support. He spoke to seventeen (17) people. Enclosed please find the petition of sixteen (16) signatures obtained in the door-to-door effort. During our door-to-door efforts only one person would not sign the petition.
- Peggy Toll mailed letters and self-addressed return stamped envelopes to eighteen (18) property owners asking them to sign and return the letter of support. We received eight (8) letters of support. One letter was returned to sender as undeliverable.

We have obtained twenty-four (24) signatures of support out of a possible thirty-six (36), for 66% support. In all of our attempts to gain support we believe the results show a generally favorable disposition from the surrounding community toward the extension of liquor service to the sidewalk area. Please accept this letter as a demonstration of our good faith effort to fulfill the petition of support requirements.

Sincerely,

Peggy Toll
