Subject: 703-705 Bedford Street-clean up assessment

Ms. Hedlund,

I am following up with you regarding the clean-up assessment you came to appeal on March 7. The matter was laid over to yesterday, March 21st, for more information because we didn't expect you at the hearing on March 7th and the situation was complicated. Ms. Moermond reviewed the video of the clean-up and found that the video showed no evidence of the before work being done and what was actually picked up; therefore, she is going to recommend deleting the assessment.

The matter will be before the City Council on April 19 at 5:30 pm for adoption of resolution.

Questions, please let me know.
