Re: Liquor License for 1751 Suburban Ave., Los Ocampo patio (outdoor seating)

The District 1 Community Council strongly supports a waiver of the 45 day waiting period for the liquor license for Los Ocampo's new patio seating area. We supported a waiver for their indoor license and we support this current request. This restaurant has been a significant asset to the business district in our area. We have received no complaints whatsoever – on the contrary, we get only positive reports from neighbors about this business.

We have no objections to the license and strongly support the waiver of the waiting period.

Respectfully submitted,

Betsy Leach
