Kao Yang  
997 Central Ave. W  
St. Paul, MN 55104

To The St Paul City Councils;

This letter is to appeal to the Right-of-Way Maintenance Program and Assessment for all residents of the city of St. Paul. Resident of St. Paul already pay too much tax for their properties compare to other cities in Minnesota. Resident of St. Paul did not event have a better side walk and street compare to other cities so there is no reason for paying such tax.

This Right-of-Way program need to be eliminated immediately.

Thanks.

Kao Yang.
