NARRATIVE

On 12-15-2011 at approximately 1805 hrs we, Officers Sandell/Casey (squad 130T), responded to 744 Sherburne on a report of juveniles inside an abandon home.

Upon arrival we were advised by an anonymous complainant that several juvenile males have been hanging out around the abandoned home and had been inside.

We located a broken rear window on the main floor of the home. The home was secure except for the rear window, the comp. believes the juvenile have been using the broken window to make entry.

We checked the interior of the home and did not locate any juveniles inside. The it did not appear to be any fresh damage in the home at the time of this report.

We had channel 5 contact a board-up contractor to respond and secure the broken window. The contractor arrived on scene and secured the open window.
