Ms. Anderson,

Ms. Moermond wants to keep the August 11 date and we can discuss your request at the hearing. As to a list of contractors, we don't have a list for you. The search of contractors will be on your own.

Think Before You Click: This email originated outside our organization.

To All Parties Concerned,

We would like an extension of at least two weeks as it has been very difficult to get bids for the work outlined on the work orders we received from the city on July 30, 2020.

If you could provide a list of licensed contractors that would also be helpful as the repairs were quite extensive.

We look forward to hearing from you.

Sincerely

Monica Anderson
