That would be great. It seems as though that would rectify the situation as the issue seemed to be that the property address was listed incorrectly and not that the assessment was incorrect. I will try and contact the property owner to see if they still want to contest the assessment amount.

The following Parcel ID 282922240029 stated a Property address of 1057 Rose Ave E in the Assessment System. It was brought to our attention that the Property Address is actual 1039 Earl St for the following Parcel ID. We have corrected the Property Address and sent the Homeowner a revised Bill for the Annual 2020 Storm Sewer and 2020 Sweeping and Lighting. We can also send her a revised notice for the Delinquent Garbage bill for Jan to March 2020. Please let me know what you would like me to do.

Thank You
