6 State specifically what is being appealed and why (Use an attachment if necessary):
Appealing the height of window opening:
* we would like to keep the same style of windows in order to preserve the house character
* Also our replacement window will exceed the total glazed Area by + 5.41 sq. ft
* Furthermore we cannot find a casement window which would fit. Our window width is 40" the closest casement window width which could fit is 36" Thus we will have a 4" hole that will not be energy efficient
