Re: Zoning File # 10-906716
Site plan review for Meridian Industrial Center at 620 Pelham Blvd

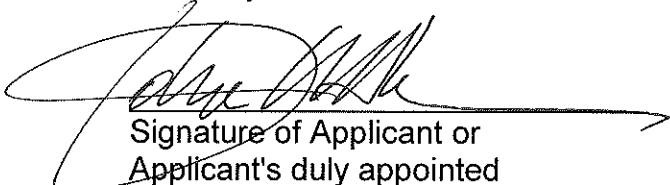

Dear Mr. Kramer:

I am the applicant or the applicant's duly appointed representative in the Zoning File above stated.

I request a continuance of the public hearing on the application for Site Plan Review which will be held by the Zoning Committee. I understand that a continuance of the public hearing before the Zoning Committee means that the final decision of the Planning Commission on this application will also be continued.

I am aware of and understand the statutory requirements found in Minn. Stat. § 15.99 (1995) requiring the City of Saint Paul to approve or deny this application by February 2, 2011, and I desire to waive the statutory requirement for a decision on the application by that date.

Sincerely,

Signature of Applicant or
Applicant's duly appointed
representative.
