Good Afternoon Mr. Linton,

I have received your appeal on the June 13, 2018 Fire Correction Orders for 991 Galtier St. There is only 1 item on the orders and it is specifically a building code item. I have the authority to grant extensions for compliance with this type of order, but it appears to me you are appealing whether the code applies to your situation. Appeals related to the building code's application are under the exclusive purview of the City's Building Official, Steve Ubl. Insofar as your appeal addresses the applicability of the building code, I refer you to him and have attached an appeal form for that process. If you are also seeking an extension for compliance, I am happy to work with you on that matter and your hearing time and date of June 26, 2018 at 1:30 p.m. are unchanged.

I have copied Mr. Ubl on this email to advise him of the potential appeal.

Sincerely,
Marcia Moermond, Legislative Hearing Officer
Saint Paul City Council
