Subject: Habanero Tacos Mexican Grill & Bar Corp Entertainment License

Dear Sirs:

I am writing to personally support the application of Habanero Tacos Mexican Grill & Bar Corp for an Entertainment License.

My only concerns would be volume and how late the performances run. Unfortunately I don't know those details because I just was made aware of this application yesterday via the ENS system. I would have liked to host a public forum in advance of the hearing to discuss the concerns of neighbors and the vision of the operator.

This recommendation is not the official position of the Union Park District Council.
