Todd Axtell, Chief of Police  
Saint Paul Police Department  
367 Grove Street  
St. Paul Minnesota 55101

Dear Chief Axtell,

I am writing to inform you of my intent to donate 300 youth fishing rods, bobbers, hooks, and sinkers to the Saint Paul Police Department. The fishing equipment is being donated for use by the department's Police Athletic League, Cops and Bobbers Program.

These rods will be distributed for free to City of Saint Paul youth by SPPD Officers or a representative from Cabela's Retail Inc. The rods, bobbers, hooks, and sinkers retail for approximately \$25 for each kit. This brings the estimated total value of the donation to \$7,500. I have attached documentation of the list value of these items for your records.

Thank you for all that the Saint Paul Police Department does on behalf of the community. It is my pleasure to make this gift.

Sincerely,

Edward A. Hagberg  
Divisional Retail Marketing Manager
