Are we removing this charge because it was sent to the property owner and not the homeowners association? Please let me know as soon as possible.

Thank you!

**Think Before You Click: This email originated outside our organization.**

Chris, the owner at 2329 Ellis got a notice from the city that they are going to assess \$3 to her taxes for the trash. Sorry, but that isn't legal. Her number is 651-644-3529. You need to contact her and discuss this. What the hell is going on? This is ridiculous and she is elderly so she doesn't understand and thinks we are lying when we say we are paying the invoices.

I need you to call her and I need a response on this. I will give you all the other addresses at the property so you can find out what else the city is doing that is illegal because the association has paid the bill.
